2019 Annual Meeting Highlights

On Monday, April 8th, we held our 51st Annual Membership Meeting at the Marietta Country Club. The theme for the evening was "Riverview on the MOVe", recognizing the recent expansion of our field of membership to include more counties within the Mid-Ohio Valley (MOV), including several in West Virginia.

The meeting was well attended, with nearly 100 members and guests present. During the formal business meeting, there was an election for two director positions, each to serve until the 2022 annual meeting. The candidates were Donald Ames, John Bartenschlag, and Steve Tompkins.

The final vote count resulted in John and Steve being re-elected as Directors.

Following the formal meeting, Mike Iaderosa, President and CEO, reviewed Riverview's 2018 results of operations and the key accomplishments during the year. He also provided a summary of our strategic initiatives for 2019 and the CEO succession plan.

During the dinner hour, Jack Horton, local radio personality,

shared his thoughts on the importance of credit unions and the impact they have on many individuals in our area.

New Website Design

At Riverview, we strive to provide the best products and service. It is this commitment that led us to redesign our website, which went live on June 12th. The address remains the same – www.riverviewcu.com.

Our team devoted significant time to this project, reassessing not only how we do business, but perhaps more importantly, WHY we do what we do. Our goal is to provide our members a one-stop resource center for all things financial in addition to clear and accurate product and service information for both current and prospective members.

The new site has a bold new look and enhanced navigation experience that we believe makes it much easier to use. We trust you will find it to be a truly user-friendly experience.

One of the most significant changes was the relocation of where you go to login into our online banking service. You will find a "Login" button at the top right of the screen that will bring up the familiar screen to enter your username and password.

Also, the new site has the added capability to open memberships online!

Regardless of how long you have been a member, we hope you find the new website engaging and informative. Please call or visit us with any questions or concerns you may have.

Helping Our Four-Legged Friends

On Friday, May 31st, we held our 4th Annual Pet "Adopt-A-Thon" at the Belpre Office in partnership with the Humane Society of the Ohio Valley. We had several visitors stop by to meet the adorable animals up for adoption. One lucky dog was adopted during the event!!

During the month of May, we collected donations for the Humane Society. Many needed supplies were donated. We also received over \$200 in cash donations.

We want to thank our members and the community for their donations, as well as the volunteers of the Humane Society. Without those volunteers, these animals wouldn't have a voice!

In connection with this event, we gave away a \$50 gift certificate from The Coffee Bar in downtown Parkersburg and a \$50 Visa gift card. To win, individuals simply had to guess the correct number of dog bones in the container at our Belpre Office. Elizabeth Dubois was our winner with her correct guess of 112 dog bones. Congratulations!

The Humane Society is always in need of supplies. Please visit their website for a current list of supplies needed: hsov.org.
