Why Your Next Auto Loan Should Be From Us

If you're in the market for a new or pre-owned vehicle, you might not be thinking about the loan until you're ready to buy. Getting a loan through us before going to the dealership might take a bit more time and effort. However, it might be advantageous in three key areas:

Rate – Direct loans with us usually have the best rates. This could save hundreds, if not thousands, over the course of your loan.

Affordability – Having a pre-approved amount in mind will help you stay on track with your budget.

Convenience – Although a direct loan might take more time at our branch, it'll translate to much less time at the dealership.

How Do You Negotiate With a Car Dealer?

There are four negotiating tips to follow:

Know your numbers to get a fair deal

Be careful with your words

Start low because it's easier to negotiate up than down

Stand firm on negotiating just the price of the car
